# 1. DEFINE GOALS AND EXPECTATIONS

- 📍 Overall Strategy
- 📍 Where are you now?
- 📍 Where do you want to be?
- 📍 Establish realistic measurable goals by defining what needs to be measured

Lisa Renshaw  
BluDoveDesigns.com

## 2. DEFINING YOUR BRAND

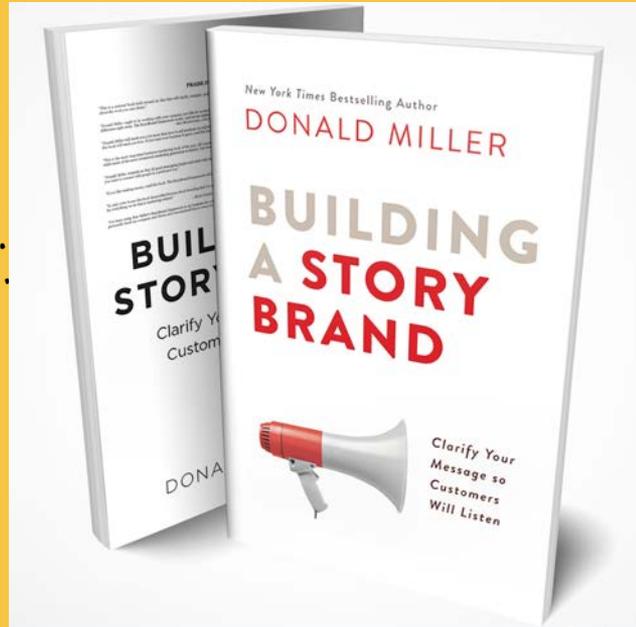

- ① Would you buy from you?
- ① Eliminate confusion
- ① Communicate your offer **SIMPLY** and **CLEARLY**
- ① Identify needed changes or improvements

Lisa Renshaw

# DEFINING YOUR BRAND

- 📍 Read the book and understand the SB7 framework
- 📍 Filter your message through the framework
- 📍 Clarify your message so more customers will listen

Lisa Renshaw  
BluDoveDesigns.com

# 3. DESIGN AND BUILD

- 📍 Site Map
- 📍 Clearly written content
- 📍 Define Functionality
- 📍 Aesthetics and design

Lisa Renshaw

## 4. PERFORMANCE

Google ranks or eliminates you from ranking based on a set of key factors therefore affecting the visits you have. This includes mobile-display, load time, accessibility and mobile display

Lisa Renshaw  
BluDoveDesigns.com

# **QUICKLY LOADING**

Your website needs to load fast!

**47%** of individuals expect the loading time of a web page to be either **2 seconds or less**

<https://www.renolon.com/responsive-web-design-statistics/>

# MOBILE FRIENDLY

You'll likely lose traffic and conversions if your site is clunky

**61%** of users are unlikely to return to a website that's not mobile-friendly.

Websites that load slowly result in **2.6 billion dollars loss** in earnings per year

<https://www.renolon.com/responsive-web-design-statistics/>

# **ACCESSIBILITY & USER EXPERIENCE**

Don't forget to think about your end USER!

**88%** of the online shoppers may not return to a website after an unpleasant experience.

More than **60%** of mobile users go into other sites if they cannot get the stuff they are searching for soon enough

<https://www.renolon.com/responsive-web-design-statistics/>

# 5. MARKETING

- 📍 Types need to align with goals & audience
- 📍 Consistent message
- 📍 Identify what is working and not working
- 📍 Set a budget
- 📍 Utilize the right tools to systemize

Lisa Renshaw

# **5. MARKETING METHODS**

**GIVING BACK**

**SOCIAL**

**ASSOCIATIONS**

**EMAIL**

**PRINT**

**REFERRAL**

**SEARCH**

**TEXTING**

## 6. TRAINING

Make sure you get shown how to get the most of your tools

Your website, social media, etc are your face to the world – make sure you get the training to be empowered in your own business

Lisa Renshaw  
BluDoveDesigns.com

# 7. MANAGEMENT AND MONITORING

The worst thing you can do is ignore your site. You run the risk of having a customer not be able to use it to reach you.

- ④ Dedicated person for maintenance, monitoring and technical upkeep of your website.
- ④ Systems in place to catch issues early.
- ④ Dedicated person for content editing

# ***CONCLUSION***

Websites are not a “one and done” project. Nor to be thought of as the field of dreams idea... “if you build it they will come.” To truly be successful, you need an effective road map and a qualified guide!

# ***CMS - CONSIDERATIONS***

What should be considered when choosing a CMS?

What do you want your website to do?

What do you want your users to do?

What technology needs are needed for your website?

What data/security requirements do you have?

What marketing plan would work best with the CMS you choose?

What ease of use for YOUR team is needed?

How extendable is the CMS?

# WP - THEMES

Themes/Builders are the building blocks of your website.

Some are general purpose, others are specifically designed for specific industries.

The Divi logo consists of the word "Divi" in a white, bold, sans-serif font, centered within a solid purple rectangular background.The Elementor logo features a circular icon on the left containing a stylized 'E' symbol, followed by the word "elementor" in a lowercase, bold, dark red sans-serif font, all set against a light pink rectangular background.The SiteOrigin logo includes a simple line-art icon of an elephant on the left, followed by the text "SiteOrigin" in a grey, sans-serif font, all contained within a white rectangular box.
